

Tres Alamos Farm

Dry Creek Valley Sauvignon Blanc Grapes

2026 Harvest Offering

Vineyard Overview

We are offering premium Dry Creek Valley Sauvignon Blanc grapes from a professionally managed vineyard planted in 2023.

This 12-acre block consists of Sauvignon Blanc Clone 01 grafted onto 3-916 rootstock, farmed using a Vertical Shoot Positioning (VSP) trellis system with 6' x 8' spacing to optimize canopy balance, fruit quality, and machine harvest efficiency.

Acreage:	12 Acres
